utility space.

The living area is serviced by two split system air conditioners and a slow combustion wood heater located on the ground floor. The living area features a computerised ducted sound system and large wall mounted television. Traffic areas are tiled, with carpet in the formal areas and bedrooms.

The first floor is surrounded by a wide covered balcony including a BBQ entertaining area, with access directly from the kitchen and lounge room. The balcony area is also accessible externally by a wide gently rising concrete ramp. A spacious 3 car garage with remote roller doors provides direct fully enclosed access to the first floor.

Situated on the ground floor is the beautiful master bedroom with built in robes and ensuite. This level also features an additional 2 bedrooms (one with built-ins), 2 bathrooms and large separate laundry area. There is also a small cosy sitting area near the combustion heater to relax and watch a movie.

Also on ground floor is a self-contained unit with a large bedroom with built-ins, a sitting room, kitchen and bathroom. It also provides separate access, an undercover double carport and split system air conditioner.

A large cellar is located underground, with access via gentle wooden staircase and beautiful slate floor. Access is cleverly disguised behind private panelling in the home, making it a perfect space for wine enthusiasts to house a large collection.

This property has town water plus two 5000 gallon rainwater tanks. Underground power to the home and sheds. 3.6 KWS Solar array. The property is principally quality granite soils, subdivided into 5 paddocks. 2 Paddocks sown to lucerne. Watered by town water to home and troughs each paddock plus 2 dams. Approximately 100 acres arable. School bus conveniently located nearby on Marrar South road to all Wagga Wagga Schools and close access to Charles Sturt University. Garbage collection service is available?

Garden areas established with the grounds featuring a large orchard and raised vegetable garden beds all are fully enclosed with netting, approximately (38m x 13m).
